Parents,

My name is Bonnie Jean Bush (the students call me Miss Bonnie Jean) and I will be your child's Pre-K teacher. Pre-K is a very important time in your child's life because they will develop social and academic skills that will be used throughout their years in school and beyond.

Throughout the school day, students will take part in calendar time, center time, small group time, story time, recess, breakfast, lunch, and rest time. The entire day allows the students to learn through "play" and through structured activities.

Your child has a blue communication folder. Your child's behavior calendar will always be in that folder along with any letters or projects completed that day. If you need to send anything to school, please place it in the folder and I will find it when I check the folders in the morning. If you need to contact me for any reason, please write a note (and put the note in your child's folder), send an email to bobush@stjames.k12.la.us, call the office or use the REMIND APP (information is attached).

A little about me: I have been teaching Pre-K in St. James Parish since 1998. I have a Master's degree in Early Childhood Education, National Board Certification in Early Childhood, and am currently pursuing certification in Educational Technology. I love music and began playing piano when I was the age of your children. As a college student, I was in the Pride of NSU (Nicholls State Marching and Symphonic Bands) and a member of a music fraternity. When you come into my classroom, it is obvious that I am also a fan of all things Disney!

I am excited to meet you and your child and begin a Magical Year of Learning!

Sincerely,
Bonnie Jean Bush
